The browser's address bar shows the URL <http://www.sddc.army.mil/Public/Home>. The page header features the SDDC logo and navigation links: Home, Press Releases, What's New, Jobs, and Contact Us. A search bar is also present. The main content area is titled "Latest News" and features a prominent article: "SDDC Headquarters Takes Up Residence at Scott AFB". The article text states: "The headquarters element of the U.S. Army's Military Surface Deployment and Distribution Command was officially welcomed to Scott Air Force Base and started its permanent residency here with an arrival and presentation of colors ceremony at the base parade field followed by a ribbon-cutting ceremony at their new headquarters building, on Tuesday. Ceremonies began at 9 a.m. at the base parade field with the presentation of the SDDC colors and included a 13-gun salute by a battery of cannons. The 113th Army Band from Fort Knox, Ky., provided the music. A Ribbon-Cutting ceremony followed at 10:30 a.m. at the command's new headquarters, building 1990." To the right of the article is a photograph of a ribbon-cutting ceremony. Below the article is an advertisement for "Full Replacement Value Protection" for DoD members. The "Hot Items" section includes links to a "Families First Customer Satisfaction Survey" and "SDDC is Moving" information.
